Industrial disease insurance is compulsory for employers engaged in mining activities in Western Australia under section 163 of the [Workers' Compensation and Injury Management Act 1981](#). Liability is limited to workers' compensation payments for the respiratory diseases of pneumoconiosis, lung cancer, mesothelioma, and diffuse pleural fibrosis, all of which may arise from exposure to harmful mineral dust though employment in mining activities.

WorkCover WA determines the premium for the policy which is issued for a three year period or part thereof for a total premium of \$110 (including GST).
